```python
for i in s:
    print(i,end=' ')
```
continue

python

```python
s = 'python'
for i in s:
    print(i,end=' ')
    continue
```

python

→ block of Code

→ Continue for next iteration

by default block of Code ends with Continue

```python
s = 'python'
for i in s:
    continue
    print(i,end=' ')
```
